ASSIGNMENT OF OVERRIDING ROYALTY INTEREST

UNITED STATES OF AMERICA
OUTER CONTINENTAL SHELF

This Assignment of Overriding Royalty Interest (this "**Assignment**") is executed by LLOG Bluewater Holdings, L.L.C., a Delaware limited liability company, whose address is 1001 Ochsner Boulevard, Suite 200, Covington, Louisiana 70433 (hereinafter called "**Assignor**") in favor of Stork Holdings Corp., a Delaware corporation, whose address is 345 Park Avenue, 44th Floor, New York, NY 10154 (hereinafter called "**Assignee**"),

1.

Reference is hereby made for all purposes to the federal offshore lease (the "**Lease**") as set out on Exhibit A attached hereto.

2.

Assignor wishes to convey to Assignee and Assignee wishes to acquire from Assignor an undivided 0.442187% of 8/8ths in all hydrocarbons produced from or attributable to the Lease (the "**Assigned ORRI**").

3.

NOW, THEREFORE, in consideration of the sum of One Hundred Dollars (\$100.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and convey unto Assignee the Assigned ORRI.

4.

The Assigned ORRI shall be free and clear of all costs, risk and expense associated with exploring, developing, operating, owning, maintaining and producing the Lease, including, without limitation, maintaining the Lease in full force and effect, plugging and abandoning wells and any appurtenances thereto, and clean-up and restoration of premises, but shall bear its proportionate share of all applicable taxes, including, but not limited to, severance taxes or other similar taxes applicable to production. The Assigned ORRI shall be computed and paid at the same time and in the same manner as royalties are computed and paid to the lessor under the Lease; provided, however, the Assigned ORRI shall never be subject to, or in any way adversely affected or diminished by, any past, present or future rules or regulations promulgated by the Bureau of Ocean Energy Management, or any other authority having jurisdiction over the Lease, providing for relief, reduction or suspension of the lessor's royalty.

5.

This Assignment is expressly made subject to the terms and provisions set forth in that certain Contribution Agreement, dated as of October 7, 2012, by and between affiliates of Assignor and

Assignee; in the event of a conflict or inconsistency between the terms and provisions of this Assignment and those set forth in the Contribution Agreement, the terms and provisions set forth in the Contribution Agreement shall control.

6.

Assignor, its successors and assigns, shall have the right to pool, combine or unitize the Lease and any portion or portions of the lands covered thereby with other land, lease(s) or mineral interest in any manner and at any time before or after production, without the consent or approval of the Assignee, its heirs, successors or assigns. In the event acreage covered by the Lease, or any portion thereof, is pooled, combined or unitized with other lands, lease(s) or mineral interest to comprise a unit (or units), the Assigned ORRI shall be reduced by a fraction, the numerator being the number of acres included in the unit to which the Assigned ORRI is applicable, and the denominator being the total number of acres in the unit.

7.

This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors and transferees.

8.

Assignor shall never be under an obligation to Assignee, its heirs or assigns, to maintain the above described Lease in force and effect by the payment of rentals, the drilling of wells or otherwise; the overriding royalty herein conveyed being due and payable out of production if and when it should be obtained by Assignor, its successors and assigns.

9.

This Assignment shall be without warranty of title, whether express, implied or statutory, except that it contains a special warranty of title by, through and under Assignor to the Lease.
